Smart Light Transition

One-Piece Foldable Aspheric IOL

MATRIX Acrylic® AURIUM

CE

This product is CE marked and is only available in the European Union and jurisdictions that recognize CE marking.

Parameters

Material	Hydrophobic acrylic
Power	0.0D to +34.0D
Haptic	L-shape
A-Constant/IOLMaster	118.4/119.0
Optical Diameter	6mm
Overall Diameter	13mm

Smart Light Transition	
Clear-to-yellow	10 seconds
Yellow-to-clear	30 seconds
Incision size	2.4-2.8mm
Refractive index	1.56(20°C)
Spherical Aberration	-0.1 µm

This product is CE marked and is only available in the European Union and jurisdictions that recognize CE marking.
